ALL MEMBERS

Dear Brother/Sister,

It is with deep regret that I have to inform members of a good comrade and former colleague, Bro Perry Jamieson, who passed away suddenly at the weekend.

Many members will remember Perry with great fondness as someone who was one of the fire services great characters, others will no doubt at sometime throughout their career be told stories about situations involving Perry, also told with fondness.

It is fair to say that Perry not only didn't suffer fools gladly, he simply didn't suffer fools at all, but his friendship and warmth will be greatly missed. We will circulate details of Perry's funeral as soon as possible.

Our thoughts are now with Perry's family and we will pass on all the many messages of condolences we have received so far.

On a personal note I am proud to say I was a friend of Perry, a comrade and mate I will miss too much.

Yours in unity

L Skarratts
Brigade Secretary
