Merseyside FBU Website

Dear Brother/Sister,

Following a brief period of inactivity due to server maintenance the Merseyside FBU Website is now back online and fully functional.

Members are encouraged to visit the website regularly and where necessary to download information to print out and display on FBU Union notice boards in the workplace.

If any member requires any information regarding the website or has any ideas, input or feedback please do not hesitate to contact either myself or any of the Brigade Officials.

Yours in Unity

Kevin Hughes
Brigade Vice Chair
