Merseyside FBU Members Update

Dear Brother/Sister,

FBU members throughout Merseyside are both experienced and knowledgeable when it comes to issues of dispute with our employers. We know what to expect and we also know that sometimes what is stated in one forum or arena or expressed as factual by MF&RS managers does not always reflect that series of events or statements.

Any FBU members in Merseyside who wish to be kept updated on current events or situations as they develop within MF&RS can use **merseysidefbu.co.uk** for all the latest All Members circulars.

Alternatively FBU members can contact their FBU rep for information or to hold a branch meeting for more information.

The Brigade Secretary, Brother Les Skarratts mobile number is 07834656088
The Brigade Chair, Brother Mark Dunne's mobile number is 07834656089
The FBU Membership Secretary, Brother Mark Rowe's mobile number is 07834656090

If our members require any information with regards to individual manager's communications/opinions within MF&RS then please contact the FBU office on 0151 702 6915/6 or email us at les.skarratts@fbu.org.uk or mark.dunne@fbu.org.uk or mark.rowe@fbu.org.uk .

There will be undoubtedly continue to be an onslaught of emails, manager briefings, home address mail shots and MF&RS glossy brochures and pamphlets as we move forward through our ballot process. We urge all our members to exercise caution and use their experience and judgement before taking any management communication with regards to our current trade dispute or comment as factual.

Yours in Unity

Mark Dunne
Brigade Chair
