### Merseyside FBU Members Update

Dear Brother/Sister,

Bro Kevin Hughes has once again asked me to thank all FBU members in Merseyside for the ongoing support of his family. Without the determination to support Kevin and his family from FBU members throughout Merseyside and across the UK, Kevin's situation would be significantly more difficult than it already is.

On behalf of Kevin and his family can I convey their appreciation and deepest thanks to all our members who have, and continue to support them at this stressful time.

This Monday, **September 14<sup>th</sup>**, there will be an FBU sponsored Trade Union Congress fringe meeting taking place at the **Jury's Inn, Liverpool** (opposite the Echo Arena) at **6.30pm**. All off duty FBU members are asked to attend this important meeting as the subject will be **trade union victimisation** and the speakers list is impressive to say the least.

There will be General Secretaries and other eminent national speakers addressing this FBU meeting and all our members who can spare time to attend the meeting will find it relevant and informative.

Please make every effort to spare some of your time to attend this meeting and show support for Kevin and the speakers who are giving up their time after the first day of TUC Conference to lend support to Kevin and his family.

Yours in Unity

Mark Dunne  
Brigade Chair
