FBU Membership Subscriptions

Dear Brother/Sister,

Members are reminded that FBU membership subscriptions are no longer taken from your pay at source.

Alternative arrangements have been made and all Merseyside FBU members should now have received a **Direct Debit** form to fill in and return to head office.

All members that have received **Direct Debit** forms are reminded to fill them in and return them with some urgency. Those members who do not know their membership numbers can pass the form to their branch officials and they will arrange for the membership numbers to be added and the form returned to head office.

Branch officials who receive forms from members requiring membership numbers should pass the forms to the membership secretary, Bro Kenny Gore, at the earliest opportunity. The forms will then be sent to head office.

Any members who **have not** received a **Direct Debit** form should contact the membership secretary, who will arrange a replacement form to be sent.

Members can contact Bro Kenny Gore on **0151 702 6915**

Yours in Unity
